

Murchison band gets a peek into high school

Murchison Band students John Purdy and Kevin Ku learn cadences by closely following Anderson tenors Iain Watson and Nick Erck.

The Murchison Middle School eighth grade band participated in Anderson football game with the high school's band on Oct. 24. Middle school students were able to play in the halftime show and play along in the stands.

(note-actually the 8th grade MMS band members watched halftime...but they DID play in the stands with the band!)
