*Please, consider buying extra black and white socks for the band..we sell them on game days to those who forget theirs ...STUDENTS may buy additional black socks for \$2 /pair and gloves for \$4 /pair from the uniform staff. Leave them in a sack on the door of the uniform room!

Also -black/brown bobby pins, brown or black hair rubber band ties or a wide black hair band are useful to keep hair up inside of the band hats....boys'/girls' hair may not hang below collars during contests...also consider buying extras for the band ...we go through a LOT of these on game/contest days...leave with socks!

PLEASE note that any uniform part that is not returned must be paid for by students. Also - it is the student's responsibility to return their uniforms properly cleaned, on the hanger in the bag in which it was checked out. All uniform part numbers are noted on the bag tag for each student, and students should return their own uniform parts.
