

Employee Matching Programs

There are several companies that will match employee contributions to qualified charitable organizations, allowing you to double even triple your support to the Band. The following are a few companies that offer matching programs of some kind. The list is not all-inclusive and does not guarantee that a matching gift will be approved, so please check with your Human Resources or Community Relations departments to see what programs are available and what forms need to be submitted. If your employer currently has a matching program but is not listed here, please email rrbb.vpfundraising@gmail.com and we will add it to this list.
